Why Rubrics?

- Learn how to construct a useful rubric
- Learn why a rubric is useful for both, students and professors
- Learn how the data from a rubric can be useful for improving student learning

AIR Workshops are open to all faculty and staff.

DATE: Wednesday, March 24, 2010
TIME: 11:00 a.m. – 12:30 p.m.
VENUE: Rm. N227
