INSTRUCTIONAL TECHNOLOGY WORKSHOPS FOR APRIL 2010

LOCATION: G-604

Websupport1

Websupport1 workshop will cover how to create basic web page(s) and website. It will also cover how to upload files to server.

April 6 (Tues) 1:00PM – 2:00PM
April 28 (Wed) 5:00PM – 6:00PM

Wimba

Online professors can now use a voice-chat tool to have live conversations with their distance learning students. In addition, you can use push technologies to share your applications and materials with any student using an Internet connection. This workshop is only open to faculty teaching online or partially online courses.

April 12 (Mon) 5:00PM – 6:00PM
April 22 (Thur) 1:00PM – 2:00PM

All workshops are open to all City Tech faculty members.
