CINAHL: A Resource for Health Professionals

with Professor Joan Grassano

Topics covered include keyword searching, using CINAHL Headings and applying limiters for more precise results.

In this workshop, we’ll explore strategies for finding journal articles in CINAHL, an essential database for nursing and the health professions. We’ll also discuss how CINAHL search strategies can be used in the EBSCO interface of MEDLINE.

Workshops are open to all City Tech faculty members.

**DATE:** Thursday, March 26, 2009
