

The Critical Incident Questionnaire*

Please take about two minutes to respond to each of the questions below. Don't put your name on the form – your responses are anonymous. Thank you for taking the time to do this. What you write will help make this class more responsive to your concerns.

1. At what moment have you felt most engaged with what was happening today?
2. At what moment have you felt most distanced from what was happening?
3. What action that anyone (classmates, instructor) has taken have you found most affirming or helpful?
4. What action that anyone (classmates, instructor) has taken have you found most puzzling or confusing?
5. What has surprised you the most today? (This could be something about your own reactions to what has gone on, or something that someone else did that occurs to you.)
