Effective Assignment Design

Developing effective reading and writing assignments helps students retain and critically think about course content. This workshop will cover a number of assignment design strategies that emphasize active learning through student writing. Faculty are encouraged to bring an assignment prompt they would like to revise.
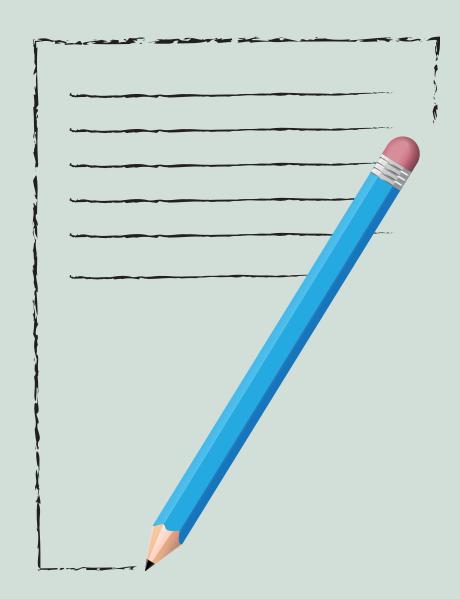

Open to all City Tech faculty and staff.

Date: Tuesday, September 13, 2016

Time: 1:00 PM-2:15 PM

Room: Namm 227
         Lunch will be served.
