

Designing Effective Assignments

Effective reading and writing assignments help students to retain and critically think about course content. This workshop will cover a number of strategies for designing assignments that support students in their learning process.

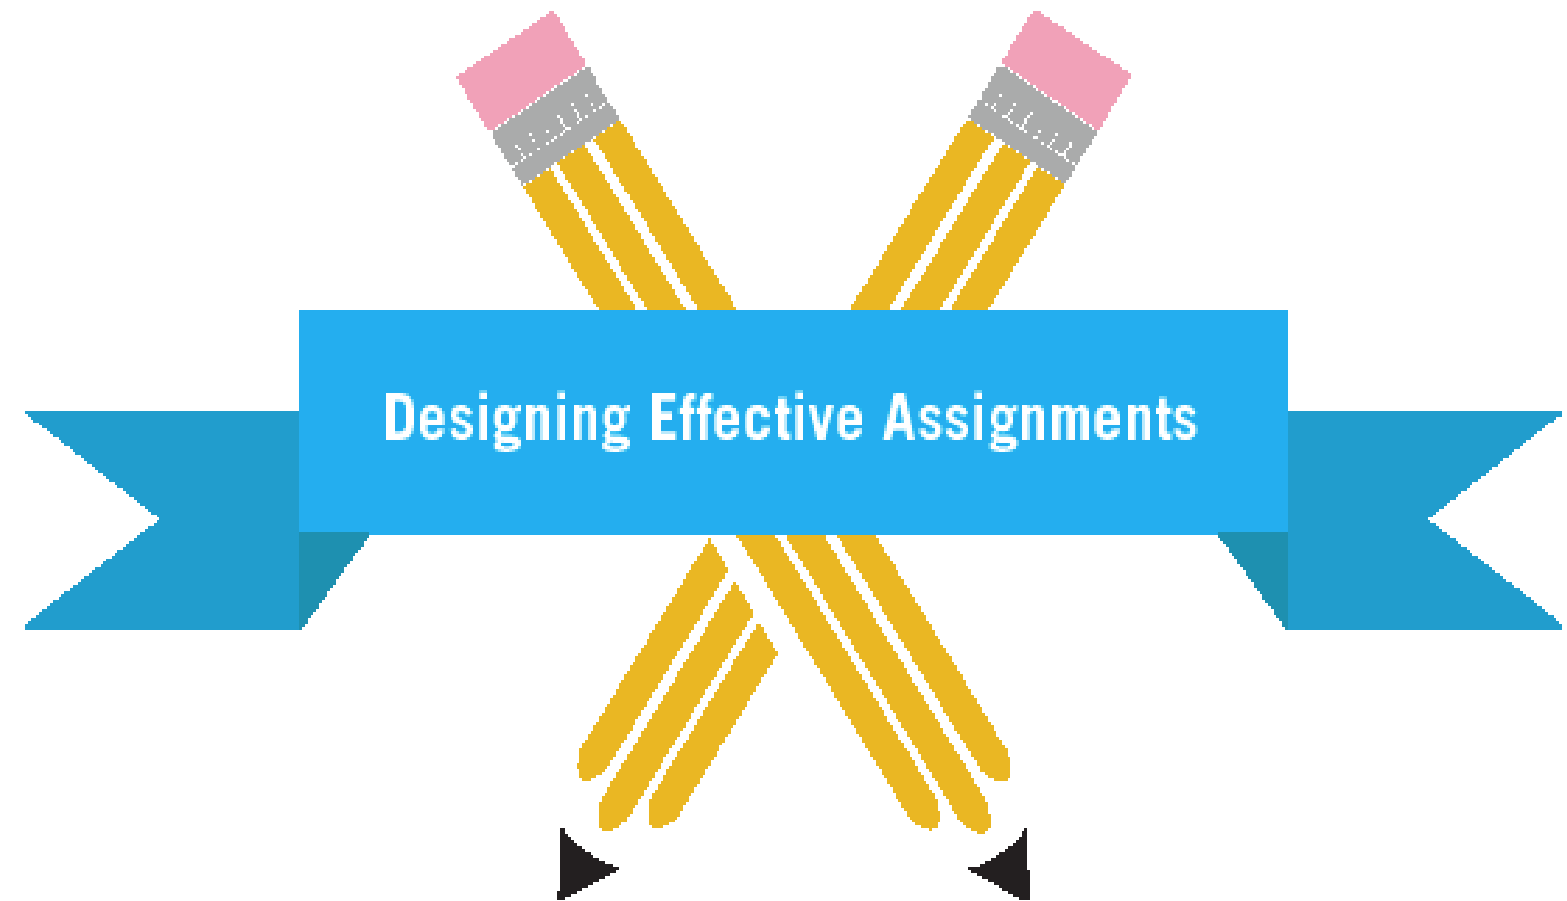

Open to all City Tech faculty and staff.

DATE: Tuesday, September 16, 2014

TIME: 12:30 p.m. - 2:15 p.m.

VENUE: Namm 300

Light lunch served.
