

## Better Note Taking, Better Grades: A Student Workshop

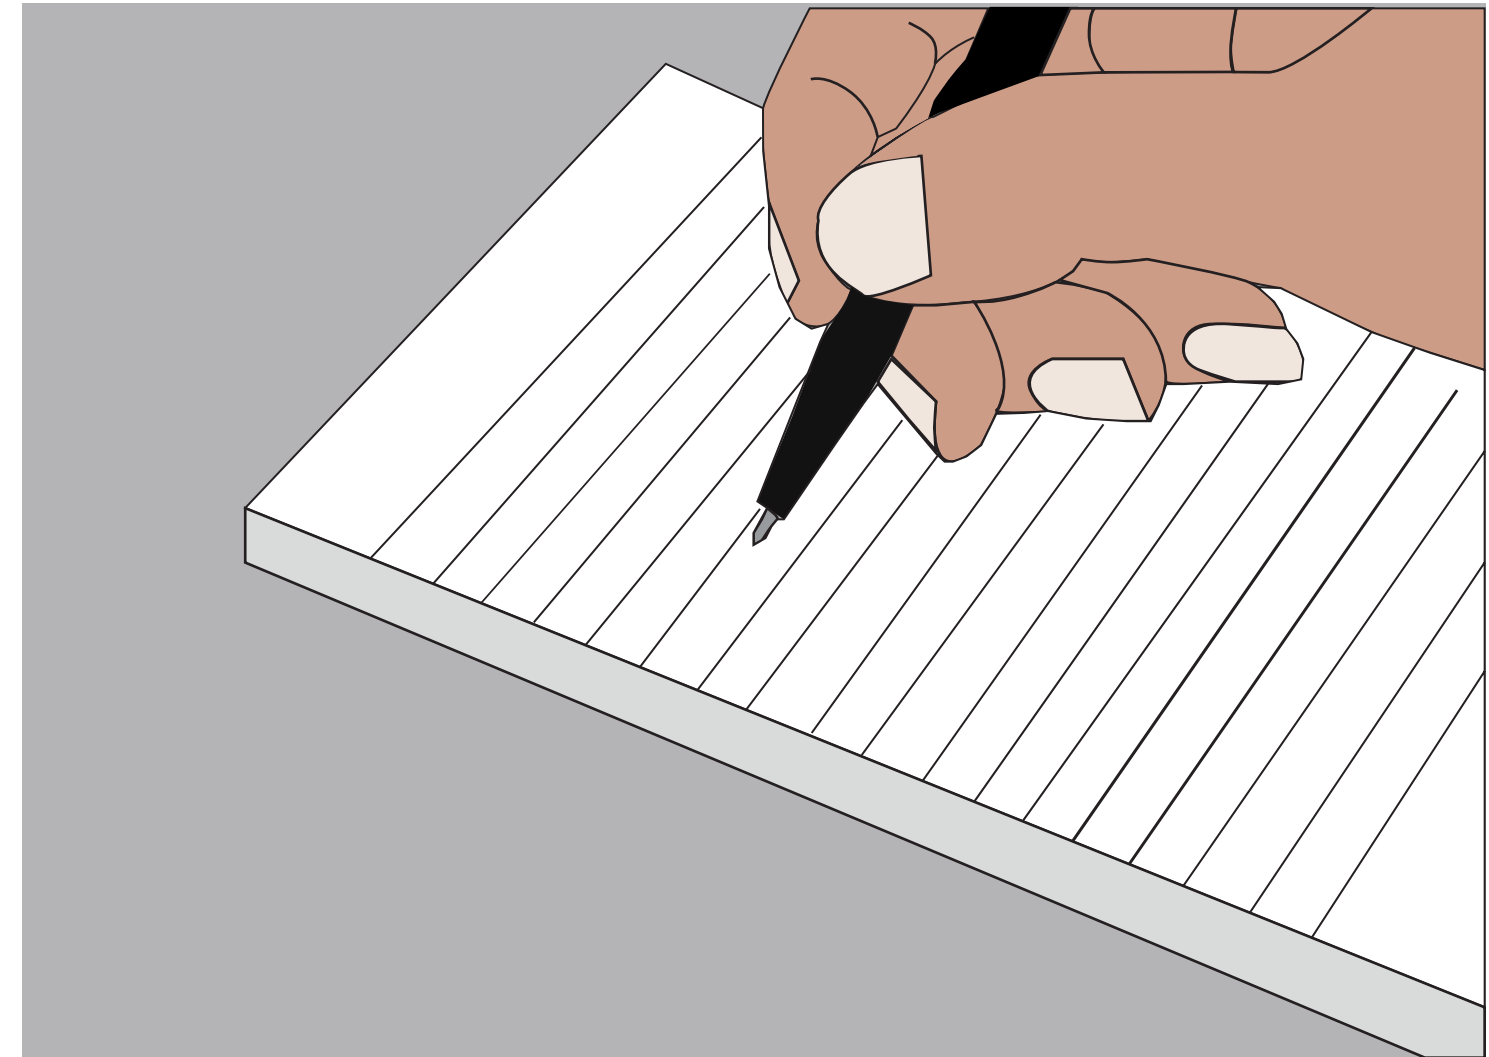

Studies have shown that students who take efficient notes by hand perform better on tests and papers and more easily handle complex problems. This is a workshop designed for students to introduce basic and advanced note taking skills to help you raise your grade and master difficult coursework.

**Open to all City Tech students. Faculty encouraged to attend.**

**DATE:** Tuesday, February 10, 2015

**TIME:** 1:00 p.m. - 2:15 p.m.

**VENUE:** Atrium Amphitheater
