A Talk by Sarah Ann Standing

350.org as Localized Trans-Global Performance

On a single “Day of Climate Action” in 2009, 350.org created over 5,000 eco-actions in 180 countries around the world. The next year, they initiated the "Planet-Scale Art Project." In this talk, Professor Standing investigates the implications of 350’s trans-global activism as art and performance.

1:00pm, Thursday May 11th, 2017 in A631.

Faculty, Students and Staff are invited
