

DEVELOPING YOUR WI SYLLABUS

What is writing-intensive instruction and how does it work across the disciplines? One of the challenges in approaching this question is developing a syllabus that weaves together course content with WAC principles that improve student's writing and facilitates their writing process. In this workshop, we will suggest critical elements for crafting syllabi for writing-intensive courses and consider ways to adapt assignments and courses practices that help students learn to become better writers.

Date: February 22, 2018
Time: 1:00 PM - 2:15 PM
Room: Namm 601A

PLEASE BRING A COPY OF YOUR SYLLABUS TO REVISE.
LUNCH WILL BE PROVIDED.
