

# Designing Assignments That Reduce Plagiarism

As instructors, we often think about plagiarism only after it happens. This workshop will provide tools to help design plagiarism-resistant assignments, discuss academic integrity with students, and address incidents of plagiarism using campus resources.

**Date:** Thursday, October 11, 2018

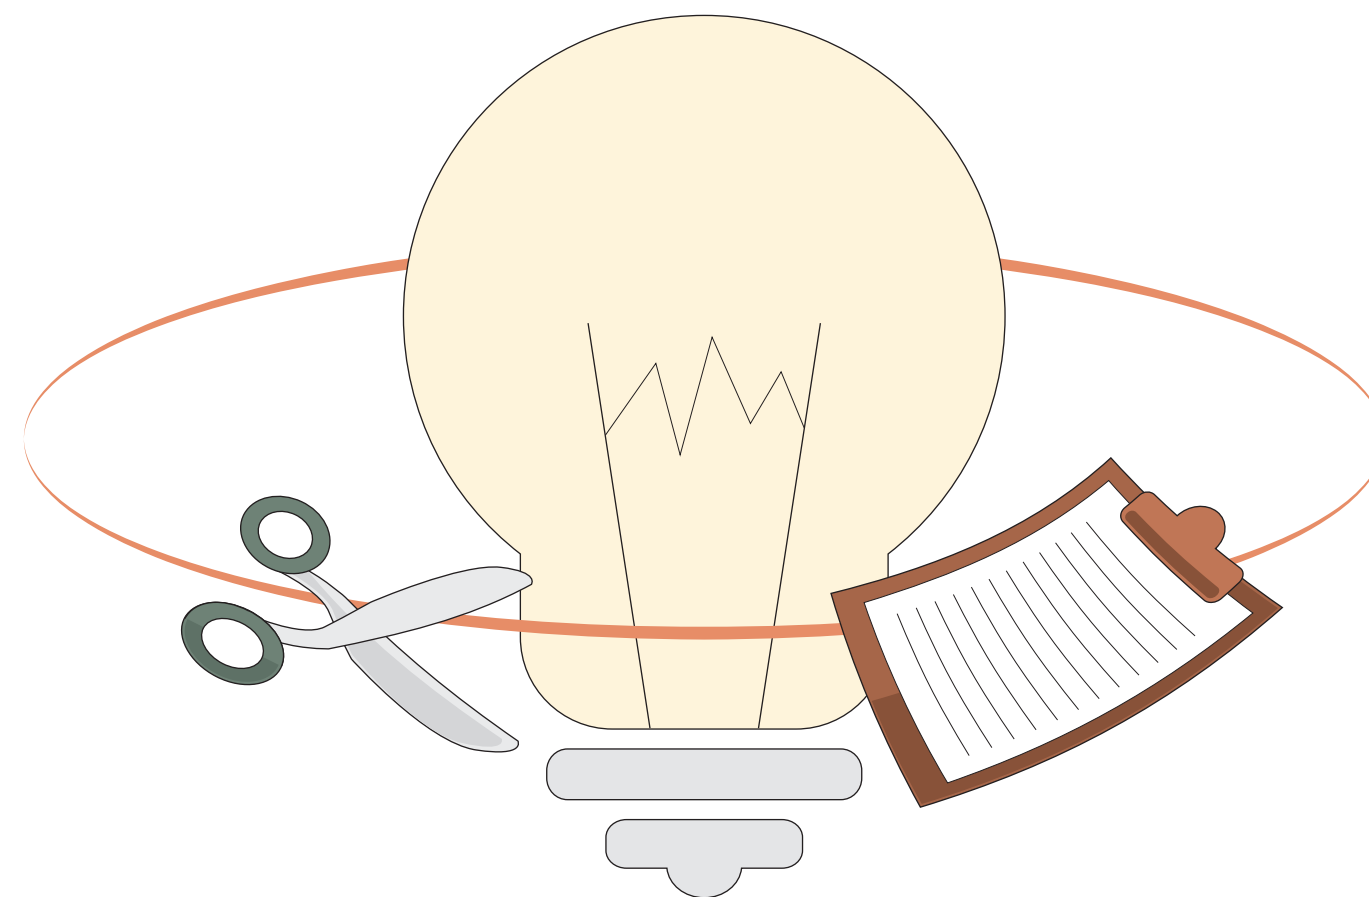

**Time:** 1:00 PM - 2:00 PM

**Room:** Namm Hall - N704

Open to all City Tech faculty and staff.
