

Effective Assignment Design

This workshop will cover a number of assignment design strategies that emphasize active learning through student writing. Developing effective writing assignments helps students retain and critically think about course content. In this workshop, faculty will have the chance to discuss and enhance their own writing assignments.

Date: Thursday, September 27, 2018

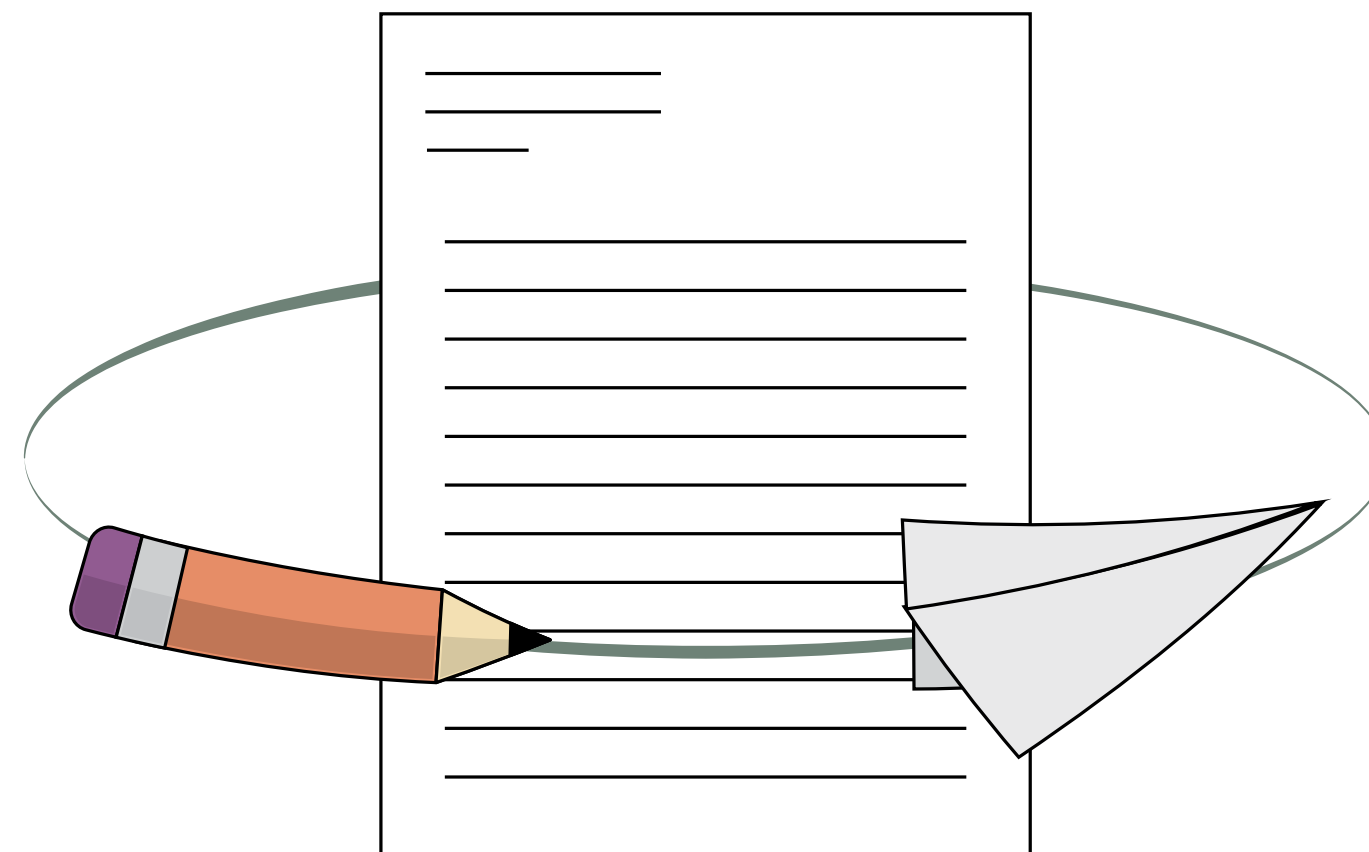

Time: 1:00 PM - 2:00 PM

Room: Namm Hall - N704

Open to all City Tech faculty and staff.

RSVP to facultycommons@citytech.cuny.edu
