

zotero

Introduction to Zotero

In this hands-on workshop, attendees will learn the capabilities of this powerful, free open-source reference management software program. The session covers creating an account, adding Zotero to your browser, and importing citations to generate a bibliography.

Tuesday, May 7, 2019
11:00am - 12:00pm

**Room: Library Eclassroom
L540**

RSVP: mberger@citytech.cuny.edu

Intermediate Zotero

Already use Zotero and want to go deeper? Attendees will learn how to use Zotero to organize research-related bibliographic information, how to add citations, notes, and tags and how to manage workflows with collections. We will also cover how to insert Zotero citations into Word documents.

Tuesday, May 14, 2019
1:00pm - 2:00pm

**Room: Library Eclassroom
L540**
