OVERCOMING APATHY IN THE CLASSROOM:

FACILITATE LEARNING BY GETTING STUDENTS TO THINK AND TALK

What can instructors do to facilitate learning when they encounter students who seem uninterested and even apathetic toward course content and assignments?

Part of the responsibility for learning belongs to students, but as faculty, we can find new ways to motivate, inspire, and maybe even cajole students to learn.

ASHWIN SATYANARAYANA, PhD
Associate Professor
2018-2019 PDAC
TEACHING RECOGNITION AWARD RECIPIENT

The goal of this workshop will be to demonstrate and explain how instructors can make classroom learning a more meaningful experience for students.
