

# SUPPORTING LGBTQ+

## FACULTY & STAFF AT CITY TECH

Join a conversation to identify challenges faced by **LGBTQ+ faculty and staff at City Tech** while examining the steps and processes needed and the path forward. Share your experiences, thoughts, and ideas to promote LGBTQ+ equity and inclusion.

**All staff, faculty, and allies are welcome. Join the call!**

The **COACHE** faculty survey report enables us to examine differences in experience between some faculty groups related to gender, ethnicity, and race, as well as discipline and rank. The COACHE team, Faculty Commons, and the PDAC would like to invite you to a conversation on LGBTQ+ faculty and staff experience at City Tech. Professor Amit Mehrotra will facilitate a discussion on Thursday!
