

With support from CUNY's Black, Race and Ethnic Studies Initiative (BRESI), Drs. Punita Bhansali and Anuradha Srivastava invite you to the first seminar of the series

THE IMPACT OF RACIAL DISPARITIES ON HEALTH OUTCOMES

BLACK COMMUNITY HEALTH IN THE U.S.

It will be an introduction to key concepts in community and public health, and add more context to the health inequities the Black community faces.

Julian L. Watkins, MD (pronouns: he/ him),
*Health Equity Advisor, Center for Health Equity and
Community Wellness, NYC Department of Health and
Mental Hygiene Culture of Health Leader, Robert Wood
Johnson Foundation*

This seminar series aims to bring more visibility to racial health inequity through a project funded by [CUNY's BRESI Council](#)

The PIs are grateful to the Department of Biological Sciences and Geology of Queensborough Community College for their enthusiastic support.
