

Join the Office of the Provost WI Certified Faculty

The Writing Intensive Certification Program

A professional development opportunity offered each spring to help faculty deliver WI courses and learn how to incorporate writing into their teaching.

Workshops Offered:

< Developing Your WI Syllabus:

Learn the critical elements of a WI syllabus, including how to develop writing-related learning goals and scaffolded assignments for your courses.

< Effective Assignment Design:

Gain ideas for designing assignments that use writing to encourage active learning, critical thinking, and content retention.

< Minimal Marking and Effective Grading:

Develop strategies for minimizing time spent on grading while maximizing the effectiveness of written feedback on student work.
